## INTRODUCTION

This is the website for teachers to manage the attendance online which will help them to get rid of hard copy stuffs. Here teacher could manage each student attendance date wise and can get details of each student's attendance detail in graphical manner.

- First page of the website :

The screenshot shows a web browser window with the URL `localhost/checkbox-web-main/`. The website has a black header with the "CHECKBOX" logo and an "ABOUT US" link. Below the header, there are links for "FOR STUDENTS" and "CLICK HERE FOR STUDENT DASHBOARD". The main content area is titled "FOR FACULTY" and contains two forms: "LOGIN" and "SIGN UP".

LOGIN	SIGN UP
<b>Email ID</b> <input type="text" value="Email"/>	<b>Name</b> <input type="text" value="Rajveer Singh"/>
<b>Password</b> <input type="password" value="Password"/>	<b>Phone Number</b> <input type="text" value="9965475642"/>
<b>LOGIN</b>	<b>Email ID</b> <input type="text" value="rajveersingh@gmail.com"/>
	<b>Password</b> <input type="password" value="....."/>
	<small>Password should be 6 characters long.</small>
	<b>Re-type Password</b> <input type="password" value="....."/>

- Enter the details as follows and click on sign up:  
Then the following confirmation message will be shown:

The screenshot shows a web browser window with the URL `localhost/checkbox-web-main/`. The page has a dark header with the "CHECKBOX" logo and an "ABOUT US" link. Below the header, there are links for "FOR STUDENTS" (with a sub-link "CLICK HERE FOR STUDENT DASHBOARD") and "FOR FACULTY". A green success message states: "You have successfully signed up! Login using the same credentials now." Below this, there are two forms: "LOGIN" and "SIGN UP". The "SIGN UP" form is filled with the following details: Name: Rajveer Singh, Phone Number: 9965475642, Email ID: rajveersingh@gmail.com, and Password: (masked). A "LOGIN" button is visible between the two forms. A note at the bottom of the sign-up form says "Password should be 6 characters long."

- Now login :  
As soon as you will logged in for first time, this page will be seen:-

The screenshot shows the "Teacher Dashboard" page in the web browser. The URL is `localhost/checkbox-web-main/teacher.php`. The page has a dark header with navigation links: "Online Attendance", "Dashboard" (active), "Profile", "Statistics", "About", "Contact", and "Logout". The main content area displays a welcome message: "Welcome , Rajveer Singh." followed by "You haven't taken any class yet!". Below this text is a large square button with a black plus sign (+). The Windows taskbar at the bottom shows the time as 17:27 on 24-04-2021.

- ## Add Class

- 
- Teacher Dashboard
- localhost/checkbox-web-main/teacher.php
- Apps Gmail YouTube Maps Oracle
- Online Attendance
- Dashboard Profile Statistics About Contact Logout
- Welcome , Rajveer Singh.
- Code : CSE-301  
Section : 1  
Year : 2021  
Classes : 0
- +

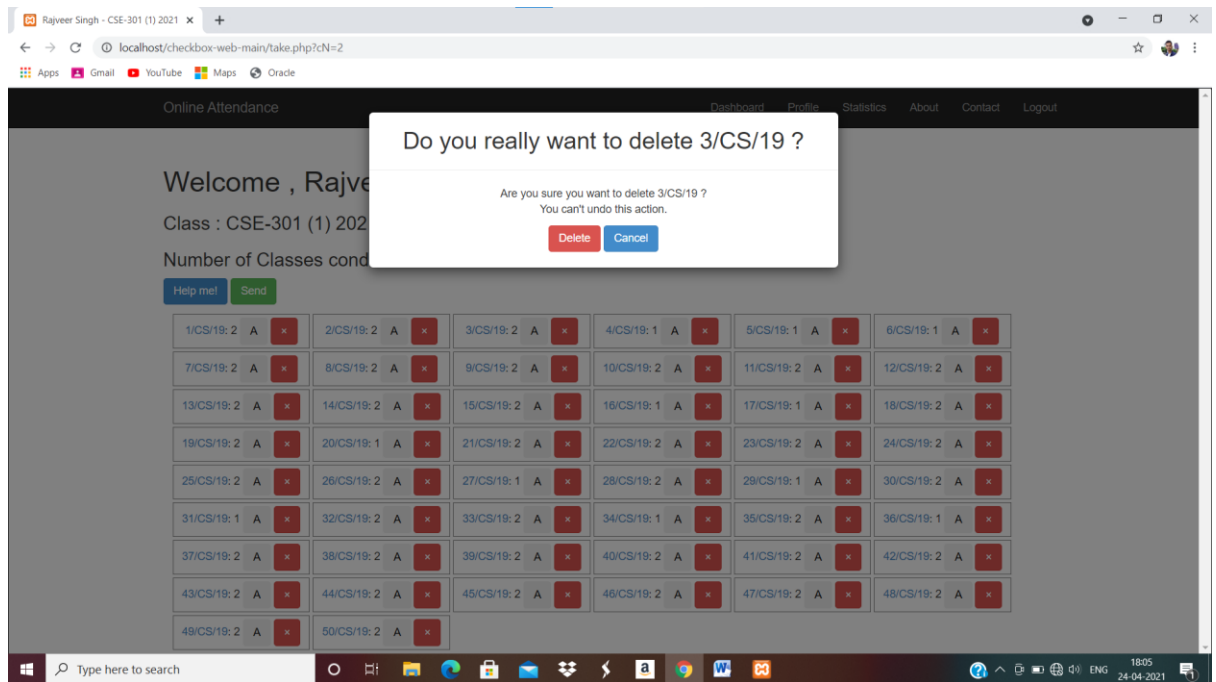

- Now by clicking on the class option as shown above the attendance could be taken :

The screenshot shows a web browser window with the URL `localhost/checkbox-web-main/take.php?cN=2`. The page title is "Online Attendance". The user is logged in as "Rajveer Singh" for "Class : CSE-301 (1) 2021". The "Number of Classes conducted" is 0. There are two buttons: "Help me!" and "Send". Below these is a grid of 50 attendance boxes, each labeled with a roll number and class ID (e.g., "1/CS/19: 0"). Each box contains an "A" button and a red "X" button.

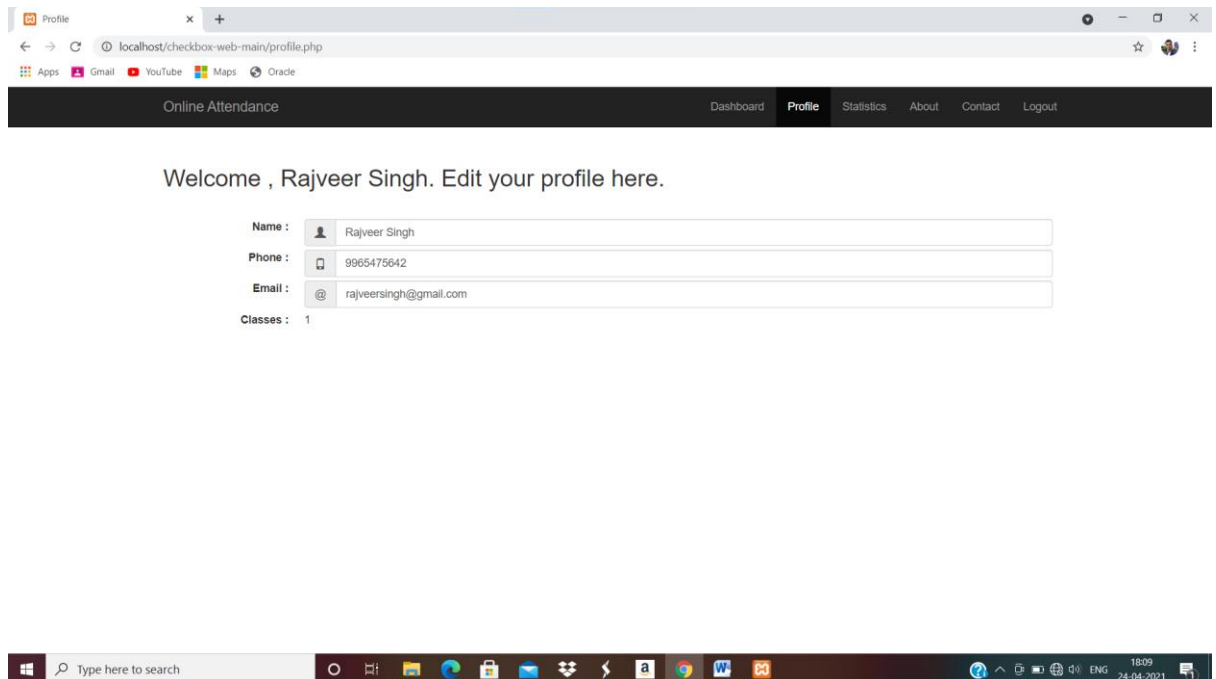

- Now by clicking on A button attendance can be taken
- Mark P for those who are present and let it be A if absent

The screenshot shows the same web application after one class has been conducted. The "Number of Classes conducted" is now 1. The grid of 50 attendance boxes is updated. Each box now shows a count of "P" (Present) and "A" (Absent) marks. For example, the first box "1/CS/19: 2" shows 2 "P" marks and 0 "A" marks. The "A" and "X" buttons are still present, but the "P" button is highlighted in green.

- Now to remove a roll number from the class we can do so by clicking on cross button:

- Profile of the faculty could be checked by clicking on Profile button

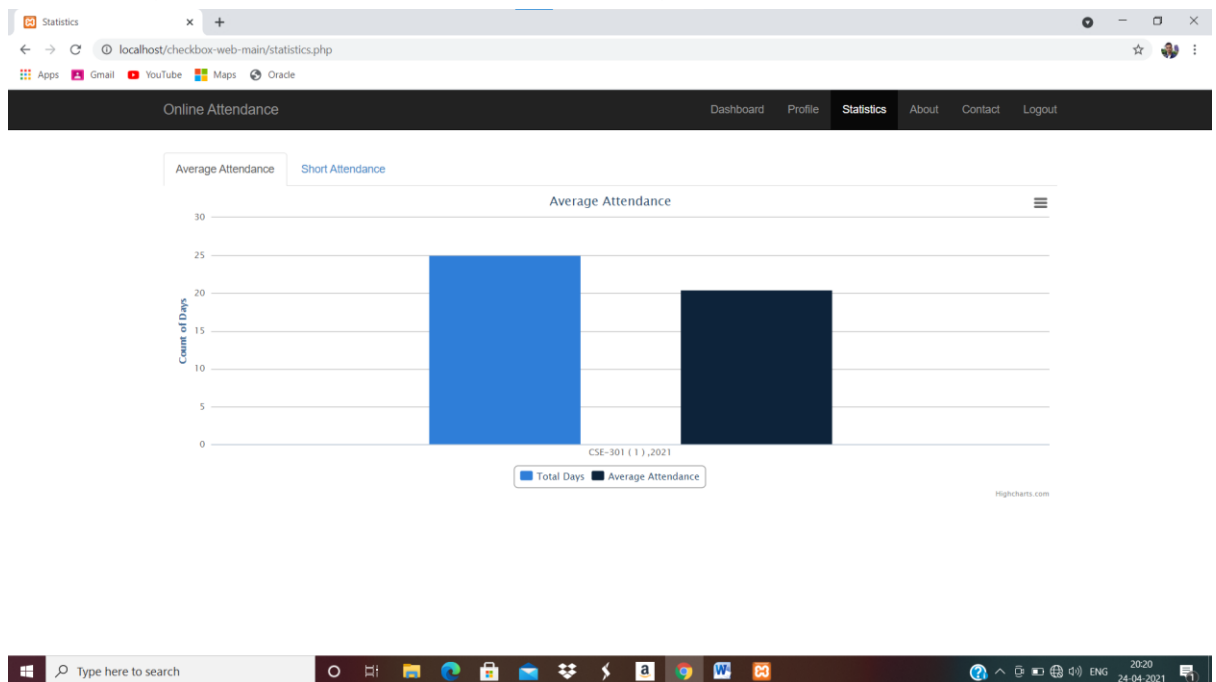

- By clicking on help me button one can see the instructions

The screenshot shows the 'Online Attendance' web application interface. A modal box titled 'Instructions' is displayed in the center, listing six steps for using the application. The background shows a grid of student attendance records with buttons for marking attendance (A, P, X) and a 'Send' button at the top.

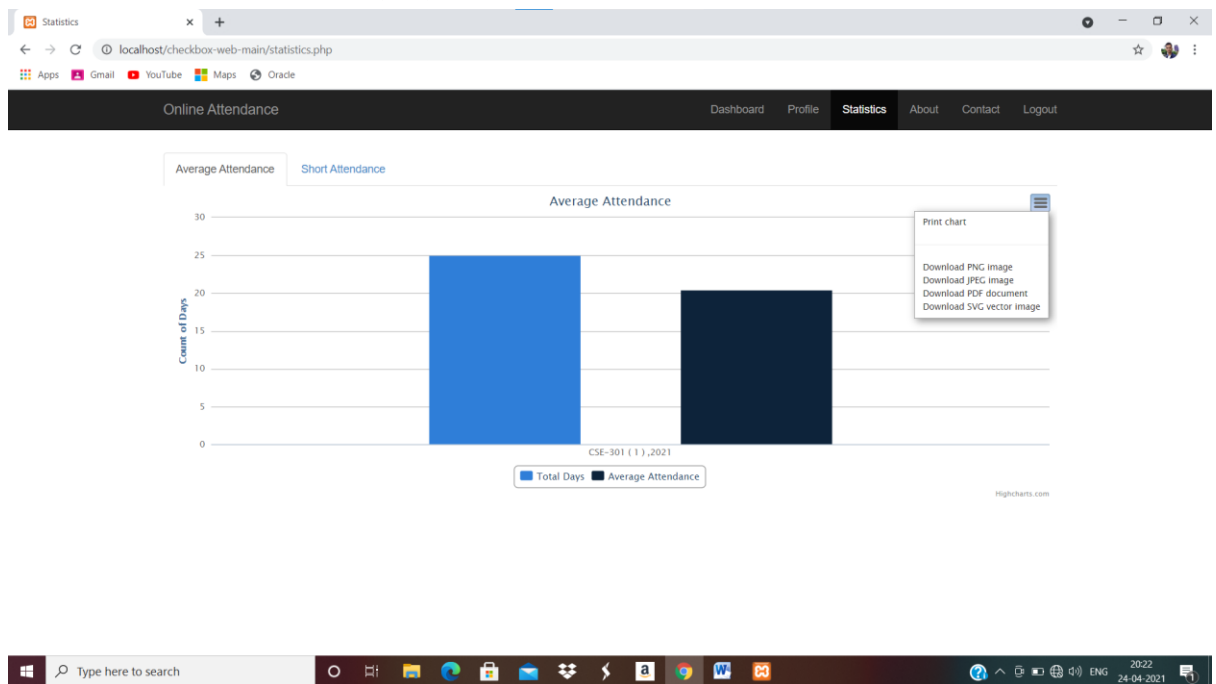

**Instructions:**

1. Click on any student's roll number to see his/her records, attendance percentage etc.
2. The number next to any student shows the number of days he/she has attended your class
3. Click the **A** button next to that roll number to mark that student as present
4. Click the **P** button if you have accidentally marked that student as present
5. Click the **X** button to delete that roll number (can't undo this action)
6. Click the **Send** button at top to save your attendance details

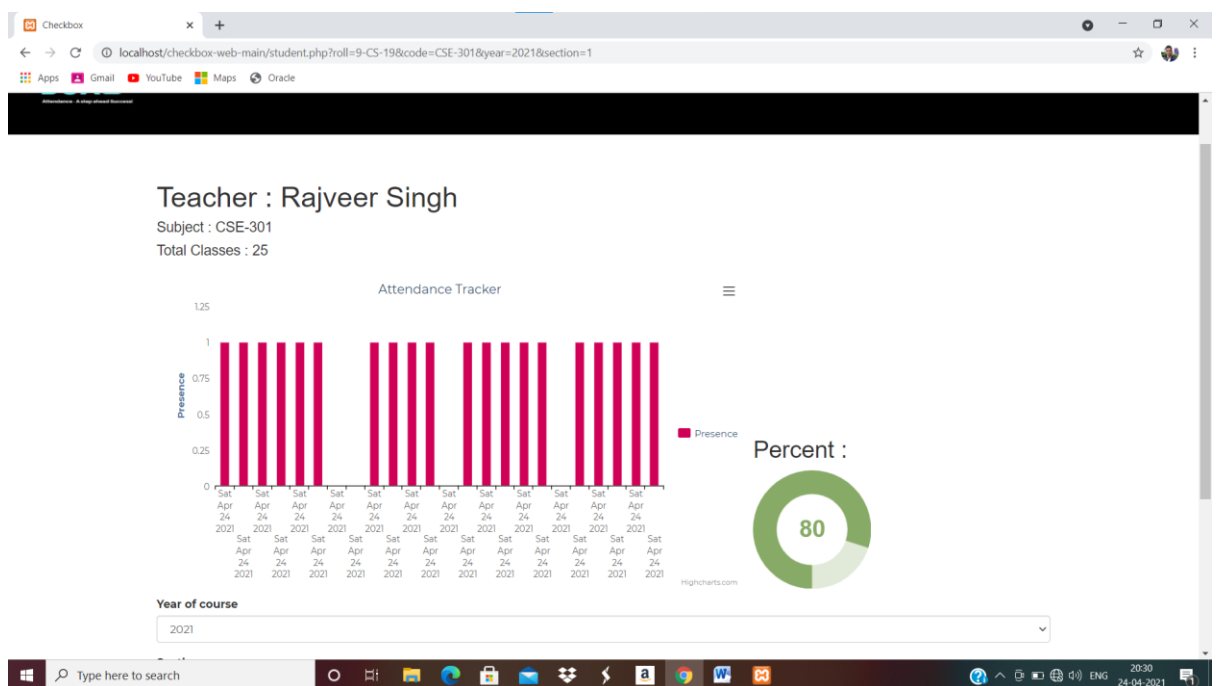

- By clicking on statistics we check the average attendance

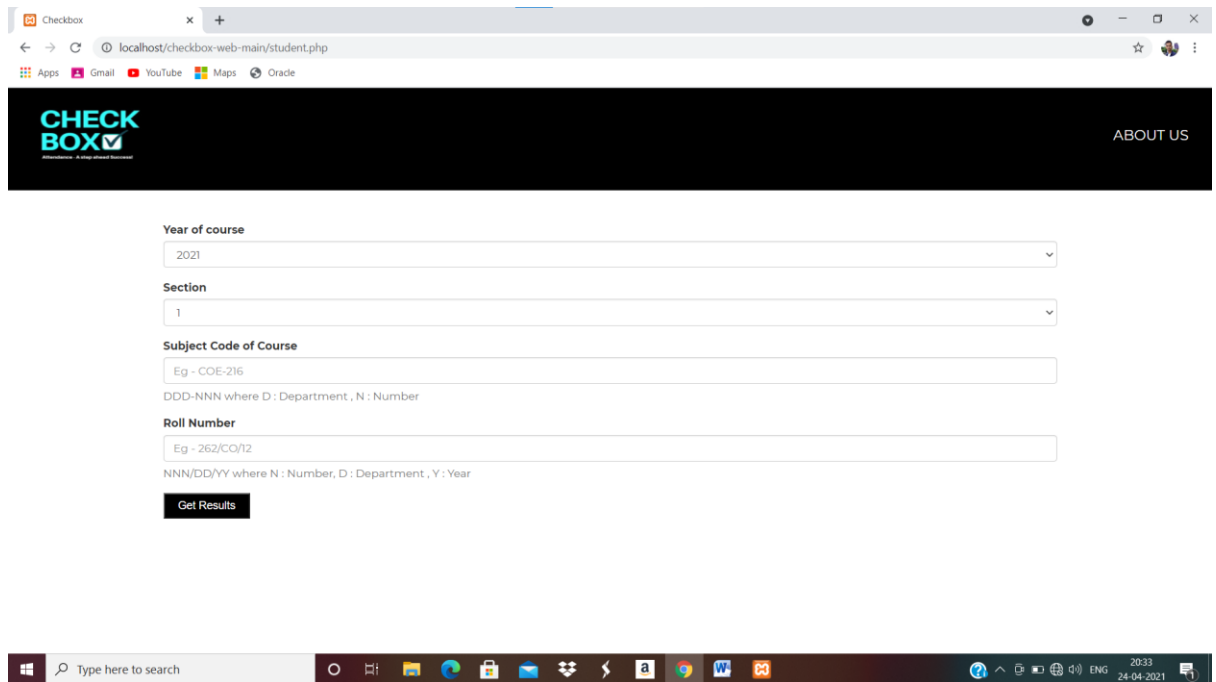

- To download the above graph click on above corner button

- Faculty can directly see each student attendance detail just by clicking on their roll number

- Student can also see their attendance detail by entering the given details under student dashboard option

And can download this also in similar manner as previous way.
